

**PATRON**  
(REFUGIUM EVALUATION)

Option 1: Discard 3 slave cards, as per Refugium rules, to become a patron. You must pay denarii equal to the cards' values.

– or –

Option 2: Discard as many pairs of slave cards as you wish to receive the benefits for doing so. You pay nothing.

**FACTION TAKE-OVER**  
(START OF FACTION TAKE-OVERS)

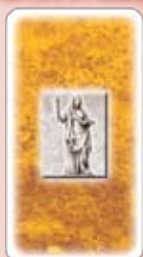

Option 1: Take over all factions where no other players placed followers on the follower spaces.

– or –

Option 2: Try to take over all factions where only one player placed a follower on a follower space. In this case, you act as if you placed followers on the second follower spaces (see base game rules).

**ETERNAL FAVOR OF THE GODS**  
(PANTHEON EVALUATION)

You can only play this card if another player intends to sacrifice at the Pantheon. You may not look at the card on the Pantheon card field ahead of time. Claim an eternal favour of the gods tile, provided that you sacrifice an appropriate card.

**SLAVE CARDS**  
(IMMEDIATELY)

Immediately claim all face-up slave cards on the board. For each slave card claimed, replace it with 2 cards from your hand. You may not claim any slave cards that other players have already claimed by placing followers.

**FAVOUR OF THE IMPERATOR**  
(BASILICA EVALUATION)

Claim the Favor of the Emperor tile, provided that you can fulfill the requirements. You may not claim a different tile if another player has already claimed the face-up tile this round.

**CARDS**  
(FORUM ROMANUM, CURIA, CATACOMBS EVALUATION)

Option 1: Receive, free of charge, all cards from the Forum Romanum and Curia that were not claimed by other players.

– or –

Option 2: Receive, free of charge, all cards that other players discarded at the Curia as well as all cards from the Catacombs that no other player chose to buy.

**BUY A LEGION**  
(IMMEDIATELY)

Immediately buy a legion, paying the cost to the stock. The cost is equal to the sum of card values of the current Legate set.

**MASS MURDER**  
(IMMEDIATELY)

Option 1: Remove the highest-value card from each faction card set consisting of more than 2 cards.

– or –

Option 2: Remove all cards from one faction card set except for the 2 lowest-value cards.

**LAUREL WREATHS**  
(FIELD OF MARS EVALUATION)

Discard as many card pairs as the Field of Mars has unoccupied follower spaces. Pairs must be made up of cards of the same faction. For each discarded card pair, you receive one laurel.

**VETO**  
(IMMEDIATELY)

All other players must immediately take 1 follower from their stocks and place it on the coin bowl. They receive no denarii for this placement. The proconsul doesn't need to be placed.

**DENARII**  
(MULTIPLE OCCASIONS)

*Latrine:* Receive denarii equal to the card's value if the Latrine is unoccupied. If the Latrine is occupied and the occupying player chooses to buy the card, receive the denarii from that player instead.

*Coin Bowl:* Receive 1 denarii from the stock for each follower placed on the coin bowl.

*Chariot:* Receive the denarii paid by the player who won the auction. You may not take part in the auction.

**OFFICIAL**  
(CAPITOLEUM EVALUATION)

Choose an official tile that no other player chose this round, including one that a player owns from a previous round.
